

From [Latin *halōs*](#), from [Ancient Greek ἅλως](#) (*hálōs*, “disk of the sun or moon; ring of light around the sun or moon; threshing floor with its surrounding threshold; disk of a shield”); itself of unknown origin, see [هلال](#) and [תהילה](#). Used in English since 1563, sense of light around someone’s head since 1646

When the Apostle John wrote received the Revelation of Jesus Christ from Heaven, there was no word for halo.
A halo is something like a crown of gold.

These are messages, not idols.

The first is an ancient carving depicting a celestial being on a throne named “Shamash,” who is giving the symbols of authority to Hammurabi, King of Babylonia. It is important to understand the figure on the throne is being considered a god and Shamash means servant in Hebrew. I will sum up the clues in the puzzle, keep in mind it took about a year for me to solve it. The scriptural solution is copyrighted by myself and so please share this information freely.

1. Shamash is much larger than his human counterpart.
2. Shamash is seated on a throne that has a serpentine motif.
3. His feet rest upon three rows of thirteen stones.
4. His hat looks like coiled up phallic symbol and he two balls on his neck.
5. There are three ephemeral ribbons streaming up from each shoulder.
6. He is wearing a wrapping, not a robe.
7. He has a beard.
8. He is bare foot.
9. He is offering Hammurabi a circular object and a rod-like object. The circular object looks like a large ring and the rod looks like root.
10. Hammurabi is wearing a helmet, as a king that means he is going to war.
11. Hammurabi is holding his hand against his upset stomach.

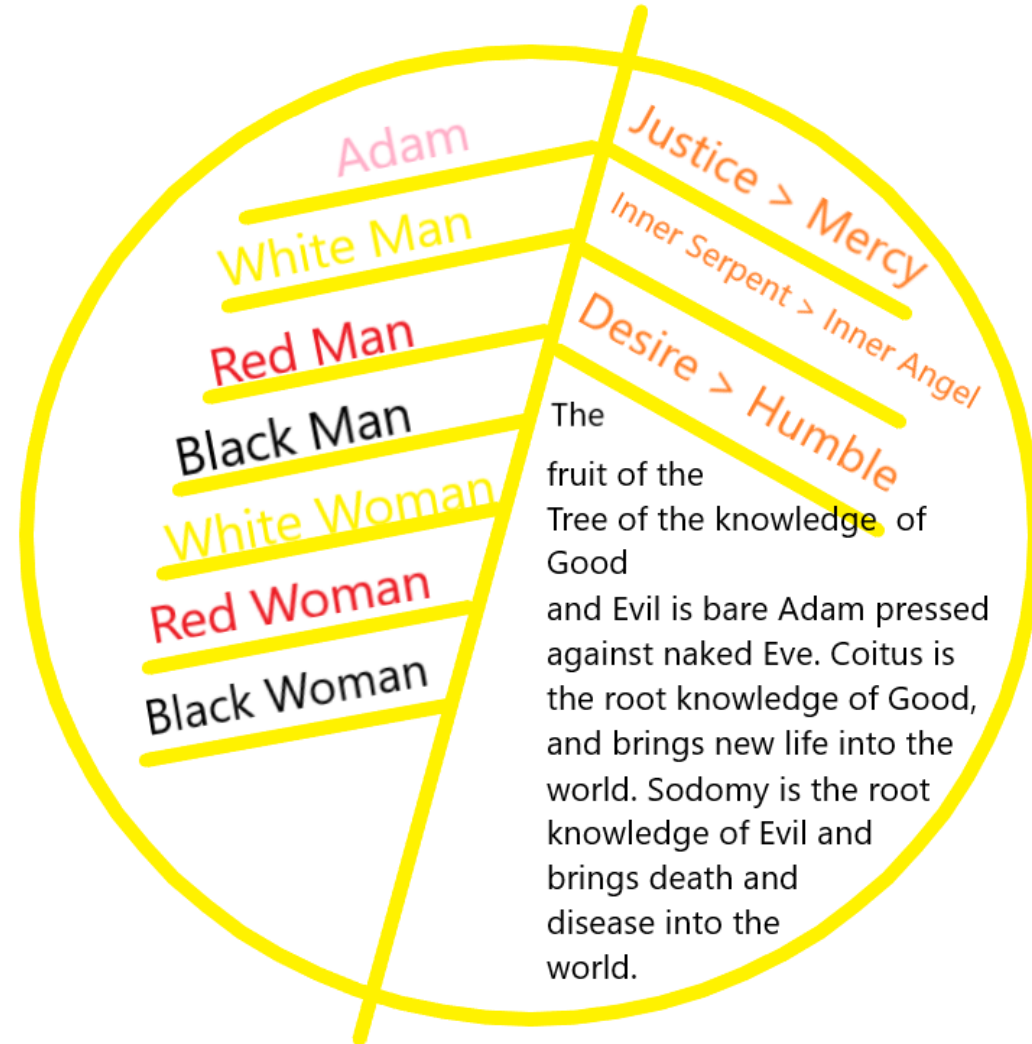

12. Hammurabi is holding his hand up to his mouth, as though nauseous.

13. He has a beard and is wearing a robe.

The symbols themselves are sex symbols and the authority symbols. The serpent motifs alert you to the environment you are in. The ribbons and the hat remind one of rainbows and the seven-fold spirit of God. The three sets of thirteen seem to be like a counting system. Hammurabi appears to be nauseated by the information and prepared for battle. Using circular logic and going over scriptures I came to this solution. What stimulated this information is that Jesus Christ is depicted as having seven eyes on his head and so does the stone the builders rejected.

You get a short cut

This is the solution

This system of ruler ship seems to create a caste system. But in fact it does not. What it does do is include everyone in a physical and spiritual way in each person and creates a system of self-governance that literally leads to enlightenment. The identification of the inner serpent and the basic need to eat, sleep, and procreate. The inner angel that is the higher self which desires what is good. The need to get and inflict justice on those who we perceive are deserving and the need to temper this with mercy. Our desire for wealth, power, and luxury which must be tempered with humility. For too much wealth will stop us from getting into heaven. The Seven-Fold Spirit of God I identified in the book of Zachariah. I made a sign for women after being inspired by this carving I found online.

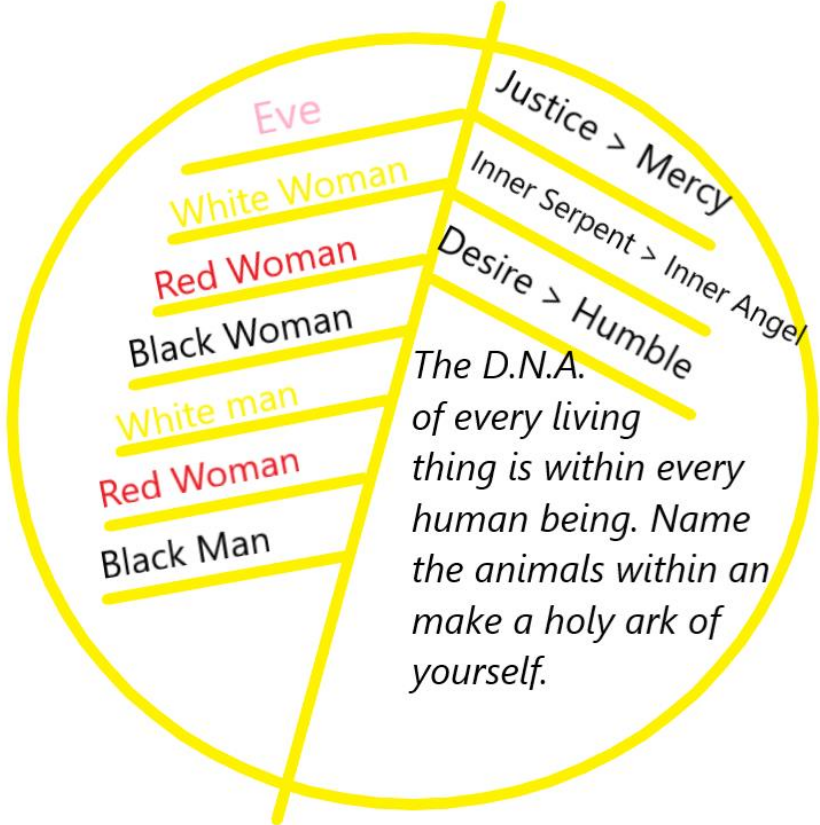

Every woman is like a bird that lays an egg. The lion cubs are small children and the owls are older children who are wise to adult knowledge. I will go over all of the facets of this carving:

1. No one knows who the woman in the relief is, which is called the “Burney relief.”
2. The lady is wearing a corrugated hat that resembles a vagina look at her right ear.
3. The lady has wings and the feet of a lion with odd projections coming off of her calves.
4. The lady is holding symbols of leadership in duplicate one in her left hand and one in her right hand.
5. Symbols of leadership in her right hand have been rubbed off.
6. The right hand is the hand of authority the masculine hand.
7. The lion Cubs represent small children or infants.
8. The owls represent youths or wise to adult knowledge but too immature to use it.
9. The general message is that there was a need for women to aggressively gather children.
10. the use of animal anthropomorphism is simply designed as a teaching tool.

I have had great difficulty in spreading this information through the male community, this is because men are either unwilling, afraid, or too uncaring. This had been a problem in the past as well otherwise this second relief carving of this unknown woman with this warning would not have been made preserved and defaced. Obviously, the meaning of the signs had to be readily available to everyone for the relief to have any purpose whatsoever in their community.

The mind is divided, and I can prove it, while we are conscious our brains in control of all of our autonomous functions every bit of our body that is functioning that we're not in control of our brain is still in control of. If we focus on the Sevenfold Spirit Of God as seven eyes on top of the left side of our head in a row corresponding to each of the Seven Spirits. If we wear the hat properly corresponding to our sex. If we admit the root knowledge of good and evil and are willing to name the animals within, to in fact learn from the animal kingdom, and respect it as part of God's creation. Then we're looking through the symbols of rulership given from Heaven. Now there is a key that was provided to me that wasn't provided in the original reliefs. The ring as a Halo. the sociation's are so many that if you struggle with the symbols of rulership eventually you put the ring on Top of your head. Then from a hat to Halo is easy progression.

Try thinking of a Golden Halo slowly spinning over your head. The left with the right doesn't matter it's up to your preference. Let all of your thoughts in your emotions slowly drift up into it going into it and slowly going out of you. This simple key to meditation can be used at all times during conversations anytime of activity this also proves that the mind is divided. This simple exercise can be used to heal the mind and emotions over time. This up this exercise also encourages right behavior, moral upstanding, and even holiness. Try thinking of the Halo resting on your brow when you're not using it like a crown made of gold. once you've done this exercise one time it will be with you forever.

Think of a golden halo over your head slowly spinning to the left (or right I suppose) and let all of your thoughts go into it. Also try it when you pray.

Halo, something like a
crown of gold.

(Rev 9:1-11) Then the fifth angel sounded: And I saw a star fallen from heaven to the earth. To him was given the key to the bottomless pit. And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit. Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power. They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have the seal of God on their foreheads. And they were] five months. not given [authority] to kill them, but to torment them [for Their torment [was] like the torment of a scorpion when it strikes a man. In those days men will seek death and will not find it; they will desire to die, and death will flee from them. The shape of the locusts was like horses prepared for battle. **On their heads were crowns of something like gold**, and their faces [were] like the faces of men. They had hair like women's hair, and their teeth were like lions' [teeth.] And they had breastplates like breastplates of iron, and the sound of their wings [was] like the sound of chariots with many horses running into battle. They had tails like scorpions, and there were stings in their tails. Their power [was] to hurt men five months. And they had as king over them the angel of the bottomless pit, whose name in Hebrew [is] Abaddon, but in Greek he has the name Apollyon.

This is a depiction of the army of Abaddon and Apollyon, sometimes regarded by even scholars as a supernatural army come to torment mankind. Other scholars think this was an earthly imperial army, but none have identified the characteristics involved and correlated them with human possibility as I have. I can show the reality is that the army of Abaddon and Apollyon are the police agencies of the earth.

Then out of the smoke locusts came upon the earth. (Rev. 9:1)

Joel 2

The Army of Locusts

[\(Amos 7:1-9\)](#)

7They charge like mighty men;
they scale the walls like men of war.
Each one marches in formation,
not swerving from the course.

8They do not jostle one another;
each proceeds in his path,
as they burst through the defenses,
never breaking ranks.

9They storm the city;
they run along the wall;
they climb into houses,
entering through windows like thieves.

Proverbs 30:27

27 the locusts have no king, yet they all advance in formation;

The key to the locust reference is that they almost always outnumber their opponent, are highly organized, moving in a militaristic fashion organized towards one purpose. This is definitely a characteristic the police department has. As it has become obvious, the police are now using military grade weapons and military tactics against civilian criminals in their countries. There are many veterans of the military who join police agencies after their discharge. police departments themselves are organized according to military rank. The police department is quasi-military and even more present in the world than the military.

And to them was given power, as the scorpions of the earth have power.

not given [authority] to kill them, but to torment them [for Their torment [was] like the torment of a scorpion when it strikes a man.

They had tails like scorpions, and there were stings in their tails. (Rev. 9: 1-11)

The actual text should read, “tails like snakes with scorpion stings at the end.” This is the antique mind giving the description for what we today call a Taser. They do Taser people at seemingly random, like a scorpion might, and also the Taser shock resembles a serious sting, And the uncoiling mechanism of the Taser resembles a snake.

The shape of the locusts was like horses prepared for battle.

And they had breastplates like breastplates of iron,

The armor horses wear is called barding and covers the torso only, leaving the head and limbs exposed. police officers generally wear armored vests as their only precaution.

On their heads were crowns of something like gold, and their faces [were] like the faces of men. They had hair like women's hair, and their teeth were like lions' [teeth.]

The Halo we all know of and that is often depicted in medieval artwork is the "crown of something like gold." This means that this halo philosophy will spread all through the police department eventually. The faces like men and hair like women's hair means they will be composed of both men and women. as is the police department today. For true equality the police department should be composed of an equal amount of men and women. Perhaps the women could become K-9 handlers for the extra muscle. The teeth like lions teeth means they will be using the law according to Judaic/messianic principles. We as a society already use most of the ten commandments. There are other stipulations of violations in both the old and new testament. These violations are the same with a few additions.

and the sound of their wings [was] like the sound of chariots with many horses running into battle.

This is the description out of antiquity for the sound of helicopter rotors. The one thing police do have is police helicopters. They do fly and they do make a lot of clatter.

In those days men will seek death and will not find it; they will desire to die, and death will flee from them.

Simply put, this is the incarceration of these men and their desire to die because of their torment.

And I saw a star fallen from heaven to the earth. To him was given the key to the bottomless pit. And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit. Then out of the smoke locusts came upon the earth.

This represents the police departments becoming coordinated, getting their lion's teeth (following biblical law, coming out of the smoke means they will be wearing body cameras. Some scriptures use the word abyss, but the true meaning is coming out of the darkness. The addition of body cameras on police officers does accomplish this. Now on to the Halo itself and the keys that come with it.

I already had a direct encounter with God, and He showed me all of creation and restored my soul. I set out to prove this by solving the unsolvable. Unravelling the mysteries and parables of the millennia. I studied The Holy Bible for decades already, but now my mind was opened to scripture. I saw how the elders were being deceived and it was by the Devil! I knew of a mystery that I thought of a carving of Malke-Zedek, the king of righteousness and Salem, of the time of Abraham, who mentions him. I was mistaken, this was in fact a carving from a series that specifically is of Shamash, the Sun God of Babylon and Servant God, giving the sacred symbols and imparting divine information to Hammurabi, King of Babylon, which is also mentioned throughout The Holy Bible. The Bas-Relief carvings are not idols, but informational.

The first carving would take a year to solve, the second was needed five years later, but solved embarrassingly quickly, and the third came intuitively at that same time. I can also understand some Egyptian art just by looking at it and using my “new mind.” Apparently there have been sexual problems in civilization big enough to call for divine intervention.

At first it is difficult to see, but after understanding all of the carvings, you will see it was a call to war, or battle, and for the women to gather up the babies and children. As well as for everyone to guard their sex. Part of the keys to ruler ship are to keep very tight reins on these exact things. I also now understand the Bible differently than everyone else , because I understand the truth involved and how the use of parables was needed, specifically so the enemy, who was most likely an abominable Satan worshiper of some sort, would not turn lest he become healed. I also understood that there were many misconceptions being widespread amongst the religious community.

First I would like to point out the widespread misconception that the Bible says everyone came from Adam and Eve, and in fact that Adam was created on a different day than the rest of mankind. We have Genesis 1, the big creation story of all of creation for us, and we have Genesis 2, the story of the creation of Adam and Eve, the original sin, and the Fall. The most basic way to figure out that Adam was made on the third day of creation is the scripture states **5** Now no shrub had yet appeared on the earth and no plant had yet sprung up, for the LORD God had not sent rain on the earth and there was no one to work the ground, **6** but streams came up from the earth and watered the whole surface of the ground.**7** Then the LORD God formed a man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being. (Gen 1:5-7)

Second, the scripture from Genesis 1 states, “**11** Then God said, “Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds.” And it was so. **13** And there was evening, and there was morning—the third day. (Gen.111-13)

Third, we have the day of the creation of mankind; **26** Then God said, “Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground.”**27** So God created mankind in his own image, in the image of God he created them; male and female he created them. **31** God saw all that he had made, and it was very good. And there was evening, and there was morning—the sixth day. (Genesis 1)

So who are these people that are being created on the sixth day of creation? They are described in the book of Zechariah. But more importantly, in whose image are these people being made, who is the “Royal We,” in the “our image.”? That itself is explained by Jesus Christ in the Gospel. It is God and his heavenly host of Angels that human beings are made in the image above and that is explained in scripture.

The book of Zechariah contains scriptures of unique importance depicting the very beginning of creation from the point of view of the heavens, as shared by an angel. Zachariah was a Prophet who Jesus Christ specifically mentions his being murdered between the temple and the altar. Why Zechariah was murdered is unknown. However much Zechariah is revered, no one ever came forward with the Meaning of his prophecies. If Zechariah's prophecies had been studied intently the keys to the menorah might never have been lost, as well as the keys to the spirits of this creation. In my honest opinion not only is Zechariah a true Prophet of God, all of his prophecies are real and should be heeded. Everyone should read the book of Zechariah and attempt to understand it to the best of their ability, Understanding the book of Zechariah gives us insight into the workings of Heaven.

Zechariah 6 New International Version (NIV)

Four Chariots

6 I looked up again, and there before me were four chariots coming out from between two mountains—mountains of bronze. ² The first chariot had red horses, the second black, ³ the third white, and the fourth dappled—all of them powerful. ⁴ I asked the angel who was speaking to me, “What are these, my lord?”

⁵ The angel answered me, “These are the four spirits^[a] of heaven, going out from standing in the presence of the Lord of the whole world. ⁶ The one with the black horses is going toward the north country, the one with the white horses toward the west,^[b] and the one with the dappled horses toward the south.”

⁷ When the powerful horses went out, they were straining to go throughout the earth. And he said, “Go throughout the earth!” So they went throughout the earth.

⁸ Then he called to me, “Look, those going toward the north country have given my Spirit^[c] rest in the land of the north.”

These horses are the original people of the Earth and are told to go over and through the Earth, they leave between bronze mountains, which are also a people, in Heaven. The first to leave are also not mentioned, which are the red horses and chariot, the second are the black horse and chariot, the third are the white horses and the chariot, the fourth and last are the dappled horses and chariot. These are the people of the sixth day of creation. The image they are made of is that of their angels, as explained by Jesus Christ:

Causing to Stumble

6“If anyone causes one of these little ones—those who believe in me—to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea.

7Woe to the world because of the things that cause people to stumble! Such things must come, but woe to the person through whom they come! **8**If your hand or your foot causes you to stumble, cut it off and throw it away. It is better for you to enter life maimed or crippled than to have two hands or two feet and be thrown into eternal fire. **9**And if your eye causes you to stumble, gouge it out and throw it away. It is better for you to enter life with one eye than to have two eyes and be thrown into the fire of hell.

The Parable of the Wandering Sheep

10“See that you do not despise one of these little ones.

For I tell you that their **angels in heaven** always see the face of my Father in heaven. **[11]** ^a

The people of Nod

¹³ Cain said to the LORD, “My punishment is more than I can bear.¹⁴ Today you are driving me from the land, and I will be hidden from your presence; I will be a restless wanderer on the earth, and whoever finds me will kill me.”
¹⁵ But the LORD said to him, “Not so^[e]; anyone who kills Cain will suffer vengeance seven times over.” Then the LORD put a mark on Cain so that no one who found him would kill him. ¹⁶ So Cain went out from the LORD’s presence and lived in the land of Nod,^[f] east of Eden.

The mark of God is to be made pale white, as white as snow, white like leprosy, this is exhibited throughout the Bible as God marks people all the way to the Revelation of Jesus Christ where the saints and martyrs are given white robes to wear. An allusion that white people in all races may be incoming saints and martyrs , reincarnated, and marked by God.

¹⁶ Then Cain went out from the presence of the LORD and dwelt in the land of ^[a]Nod on the east of Eden. ¹⁷ And Cain knew his wife, and she conceived and bore Enoch. And he built a city, and called the name of the city after the name of his son—Enoch.

The Mark of God

The mark of God is to strike you white as snow, white like leprosy.

"But the Lord said to him, 'Not so; anyone who kills Cain will suffer vengeance seven times over.' Then the Lord put a mark on Cain so that no one who found him would kill him." (Genesis 4:15)

9 The anger of the LORD burned against them, and he left them. 10 When the cloud lifted from above the tent, Miriam's skin was leprous —it became as white as snow. Aaron turned toward her and saw that she had a defiling skin disease, (Num. 12:9-10)

9“When anyone has a defiling skin disease, they must be brought to the priest. 10The priest is to examine them, and if there is a white swelling in the skin that has turned the hair white and if there is raw flesh in the swelling, 11it is a chronic skin disease and the priest shall pronounce them unclean. He is not to isolate them, because they are already unclean.

12“If the disease breaks out all over their skin and, so far as the priest can see, it covers all the skin of the affected person from head to foot, 13 the priest is to examine them, and if the disease has covered their whole body, he shall pronounce them clean. Since it has all turned white, they are clean. (Lev. 13: 9-13)

The land of Nod, means the land of wandering, or more properly wanderers. Everyone was nomadic, and Cain went east of Eden and found a wife and had a son and founded a city of these wanderers called Enoch, after his son. If you look on a map, east of Eden is central Asia, the very place where the different kinds of people came out of invaded their neighbors. These are the people that were on the Earth back at the time of Adam and Cain. There is real evidence of prehistoric cultures of red-skinned people spread world-wide. We know black-skinned people are spread all over the southern hemisphere, and the white skinned people are to the north. This also implies a big mix-up where everybody is related to everybody at this point and that we all share common features with each other that only derive from the other's ethnic groups. Now having a much better understanding of The Holy Bible's attempt at explaining creation to a mundane mortal through scripture and visions we can look upon the puzzles and mysteries of life in a different perspective already. Still we have far to go and there is a bigger mystery to solve, that of the Fall in the Garden of Eden. What exactly happened? What is the Tree of the Knowledge of Good and Evil really, and what are its fruit? Who was the serpent who deceived Eve, and where was Adam at the time? What exactly is the knowledge of good and evil? All of these will be posited as solved within the next few pages, and with the acceptance of these new facts an entire path of revelations can be taken.

The Fall

6 And the LORD God commanded the man, "You are free to eat from any tree in the garden; 17 but you must not eat from the tree of the knowledge of good and evil, for when you eat from it you will certainly die." 18 The LORD God said, "It is not good for the man to be alone. I will make a helper suitable for him." 19 Now the LORD God had formed out of the ground all the wild animals and all the birds in the sky. He brought them to the man to see what he would name them; and whatever the man called each living creature, that was its name. 20 So the man gave names to all the livestock, the birds in the sky and all the wild animals. But for Adam no suitable helper was found. 21 So the LORD God caused the man to fall into a deep sleep; and while he was sleeping, he took one of the man's ribs and then closed up the place with flesh. 22 Then the LORD God made a woman from the rib he had taken out of the man, and he brought her to the man. 23 The man said, "This is now bone of my bones and flesh of my flesh; she shall be called 'woman,' for she was taken out of man." 24 That is why a man leaves his father and mother and is united to his wife, and they become one flesh. 25 Adam and his wife were both naked, and they felt no shame. (Gen.2:6-25)

1. We see God is planted Adam in a garden filled with trees and commanded him only to eat of the trees if you want some to eat from there is a tree that contains knowledge of good and evil and would be fatal should Adam from eat it. this we can infer that Adam is completely naive and has no knowledge of the difference between good and evil. We also see that God notes that it's not good for Adam to be alone immediately and decides to make a suitable helper for him. God had formed all of the animals and the birds and brought him to Adam to name. Thus God gave Adam Dominion over the earth because there is a great power in naming things, by naming something you help to define it. Of course there is no question that God was going to make a woman for Adam. According to my wisdom God was making Adam immune to perversion as well as giving him dominion over the animals and birds.

The Fall

2. God took Adams flesh and made a woman from it therefore we must infer that woman was almost a complete female duplicate of Adam, a sort of clone so to speak. This in our day and age seems too indicate some sort of scientific method to the creation of Eve. The reality is that this is a spiritual creation and that Eve is the flesh of Adam's flesh and the bone of Adams bone. We see this reflected again with Abraham and Sarai who are brother and sister, paternally. As Adam and Eve are the founders of the human race, Abram and Sarai are the founders of the modern race. When we look at the fossil record, we could do well to look at the people around the entire earth as well, (people do tend to migrate and adapt), and look for similarities as well as symbols. This sort of Genesis is naturally unwanted and considered incestuous by polite society, so why is it needed, created, or endorsed? The reason upon close consideration is alienation. God is alienating everyone else and isolating a specific spirit. In the case of Abram it is the spirit of righteousness, in the case of Adam it is the Spirit of the Lord in Adam that is preserved, and all of humanity with it.

3. Woman was named Eve, for she was taken out of man (which is in itself a mystery of God, however women are made in the image of men, in the female, just as men are made in the image of God, in the material and mortal.) Perhaps this is the most profound reason we are not to worship mankind, womankind, or any of or imagery. Also it implies the creation is taken out of man and given to women, which gives power to the creation aspect of men through seed. 23 The man said, "This is now bone of my bones and flesh of my flesh; she shall be called 'woman,' for she was taken out of man." "Wo" must mean some sort of lament or loss, at the same time a whole new creation comes into being, becoming the mother of all the living.

The Fall

4. Adam and Eve felt no shame and it is also interesting to note they did not know the difference between good and evil.

In the Garden of Eden there are the tree of the knowledge of Good and Evil and the tree of eternal life. These are also parables, or at least can be solved as parables. Perhaps since there are hallucinogenic plants there was a special fruit that led to the knowledge. The fruit was not the knowledge. I believe Adam and Eve tasted from each other and discovered their sexuality. I believe they were youths at the time and this is why they did not know they were naked. God did not want them to know they were naked yet even though they were betrothed, as that is what it says. That bears some thought in and of itself. Who told you that you were naked? How old were you when you learned that?

This is the original sin of our world that our children must learn about sexuality early, before they can actually make use of it and they must wait until the time is right, like Adam and Eve. This is the original sin the Catholics are talking about but have not properly identified. The sin of childhood sex is the original sin.

I have summed up what I believe is the best expression of the solution to the story of Adam and Eve:

The fruit of the tree of the knowledge of good and Evil is bare Adam pressed against naked Eve. Coitus is the root knowledge of good and brings new life into the world. Sodomy is the root knowledge of evil and brings death and disease into the world.

If you can imagine a naked man and a naked woman discover sex for the first time and also discover good and evil, without any external factors at all. There are only three ways to have sex, oral, vaginal, and anal. Wrestle with this all night if you want to and you will always find that making babies is good and sodomy is evil. Sodomy is betrayal and betrayal is the root of all evils and the cause of the Heavenly conflict. Also all throughout the Bible sexual deviancy has catastrophic consequences and is a major factor in preventing people from getting into Heaven. Also we are told to be fruitful and multiply as a command from God, who alone is good. So we are commanded to have sex by God and warned by God, history, and the threat of hell fire not to be deviant.

The Fall

Sexual deviancy is a broad term and could adultery or any deviancy. The Bible speaks about male homosexuality as being an abomination, which means completely unnatural and bestiality as being a perversion, or a twisting of purpose to evil. This knowledge is in our hearts and minds already but needs reiterating. Female homosexuality seems to be a defense mechanism and is not specifically addressed in the Bible.

There are two definitions in the English language that are incorrect, and it is vitally important they be corrected. Sodomy is defined as any unnatural sex act, but really is anal sex and fornication is defined as sex without being married and fornication is the public sex act or sex act with multiple partners. Fornicators and sodomites do not get into heaven, this is stated in the Revelation of Jesus Christ.

Having the knowledge of good and evil now you should be focused on your own salvation. Before you can approach salvation, you must be straight. You already have an immortal soul that hangs in the balance of your lifestyle. We all have an unclean spirit to begin with because we are all a little evil and a little good mixed together with a lot of potential for growth. Because we all have a little evil, we are all evil. Sort of like having dirty feet when you walk into your house. Are you clean or are you dirty? Therefore we baptize. Repenting, confessing, and being baptized is the path of redemption for mankind. Jesus said the Kingdom of Heaven is like a fisherman's net that gets cast out and picked over for the good catch. The bad catch gets thrown out. We are commanded to baptize the nations and so no one must ever be turned away from baptism.

That was John the Baptist's error. That is why Jesus said the least in the Kingdom of Heaven was greater than John the Baptist. This rebirth allows us to trim away a massive chunk of our life and start over. After this we are constantly at work pruning ourselves and cultivating our goodness. Baptism is unnecessary for little children because if they die, they are in God's grace. Reflect upon this and you will see this is reality.

The Seven-Fold Spirit of God

The Vision of Joshua the High Priest

1 Then the angel showed me Joshua the high priest standing before the Angel of the LORD, with Satan standing at his right hand to accuse him. 2 And the LORD said to Satan: “The LORD rebukes you, Satan! Indeed, the LORD, who has chosen Jerusalem, rebukes you! Is not this man a firebrand snatched from the fire?”

3 Now Joshua was dressed in filthy garments as he stood before the Angel. 4 So the Angel of the LORD said to those standing before Him, “Take off his filthy clothes!” Then He said to Joshua, “See, I have removed your iniquity, and I will clothe you with splendid robes.”

5 Then I said, “Let them put a clean turban on his head.” So a clean turban was placed on his head, and they clothed him, as the Angel of the LORD stood by.

6 Then the Angel of the LORD gave this charge to Joshua: 7 “This is what the LORD of Hosts says: ‘If you walk in My ways and keep My instructions, then you will both govern My house and have charge of My courts; and I will give you a place among these standing here.’

8 ‘Hear now, O high priest Joshua, you and your companions seated before you, who are indeed a sign. For behold, I am going to bring My servant, the Branch. 9 See the stone I have set before Joshua; **on that one stone are seven eyes**. Behold, I will engrave on it an inscription,’ declares the LORD of Hosts, ‘and I will remove the iniquity of this land in a single day. 10 On that day,’ declares the LORD of Hosts, ‘each of you will invite his neighbor to sit under his vine and under his fig tree.’”

Zechariah 3:1-10

The Seven-Fold Spirit of God

Here in Zechariah we see Joshua, son of Nun, and leader of Israel into the promised land, standing in the presence of the Angel of the Lord and Satan, and the Lord speaks to him. The Lord tells them both that they walk in his ways they will keep it place in his courts. Then the Lord speaks of his servant the branch who He is going to bring. The Branch is his servant and is also a stone with seven eyes on it. The Lord will write an inscription on His servant the branch and He will remove sin from the land in a single day. This stone servant branch that brings forgiveness to the land in a single day is obviously the Messiah and son of God. The Seven eyes on the stone represent the sevenfold spirit of God looking throughout the land through the eyes of the people. But how to identify what the sevenfold spirit of God is? Isaiah 11:2 say, “2 And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord;” to this day when lighting the menorah these are the words used. The Spirits of God are described in Zechariah and description cannot be ignored. Not to impugn Isaiah, however in Zechariah the spirits described specifically go throughout the land and are specifically tied to the stone the builders rejected that stumbling rock the stone offense, Jesus Christ.

The Vision of the Four Chariots

1 And again I lifted up my eyes and saw four chariots coming out from between two mountains—mountains of bronze. 2 The first chariot had red horses, the second black horses, 3 the third white horses, and the fourth dappled horses—all of them strong.

4 So I inquired of the angel who was speaking with me, “What are these, my lord?”

5 And the angel told me, “These are the four spirits of heaven, going out from their station before the Lord of all the earth. 6 The one with the black horses is going toward the land of the north, the one with the white horses toward the west,^b and the one with the dappled horses toward the south.”

7 As the strong horses went out, they were eager to go and patrol the earth; and the LORD said, “Go, patrol the earth.” So they patrolled the earth.

8 Then the LORD summoned me and said, “Behold, those going to the land of the north have given rest to My Spirit in the land of the north.” Zechariah 6:1-8

The Seven-Fold Spirit of God

The Book of Genesis talks about making mankind in “Our” own image and male and female. Jesus Christ is the stone the builders rejected, so we know there are heavenly builders. Jesus Christ says that the children have angels that look on God’s face every day, so we know there is an angel for each person, or child at least. So the “Our” is God and His Heavenly Host.

The mankind is described in the Book of Zechariah as chariots drawn by horses leaving heaven between bronze mountains. These horses are strong and to go over and through the Earth and explore all of it. The red horses arrive first apparently, then black, white, and dappled horses arrive in that order.

These represent the peoples of the earth. In order to solve this I had to Meditate on this for over a year. It is only because my mind is open to scripture that I was able to solve this at all. That and the fact that there's been divine intervention in my life. The horses represent people comma the red horses represent red people and left heaven first, the black horses represent black people and left heaven second, the white horses represent white people and left heaven third, horses represent mixed people, and they left heaven fourth. The bronze mountains represent people also and must be included in the mixed people. I knew that it was Seven spirits peering through the earth and it had to be equanimous , which meant it had to include everybody. Looking at things from a novelist's perspective was very helpful, novelists write from different people's perspectives notice how they write a book. In fact looking at things from other people's perspectives is an innate ability. We can never Truly see anything from other people's perspectives however we can partially see things from their perspectives This is why one eye is representative of each people as opposed to two. Therefore the sevenfold spirit of God must look like this:

6 Then I saw a Lamb, looking as if it had been slain, standing at the center of the throne, encircled by the four living creatures and the elders. The Lamb had seven horns and seven eyes, which are the seven spirits[a] of God sent out into all the earth. Revelation 5:6

(a) seven-fold spirit.

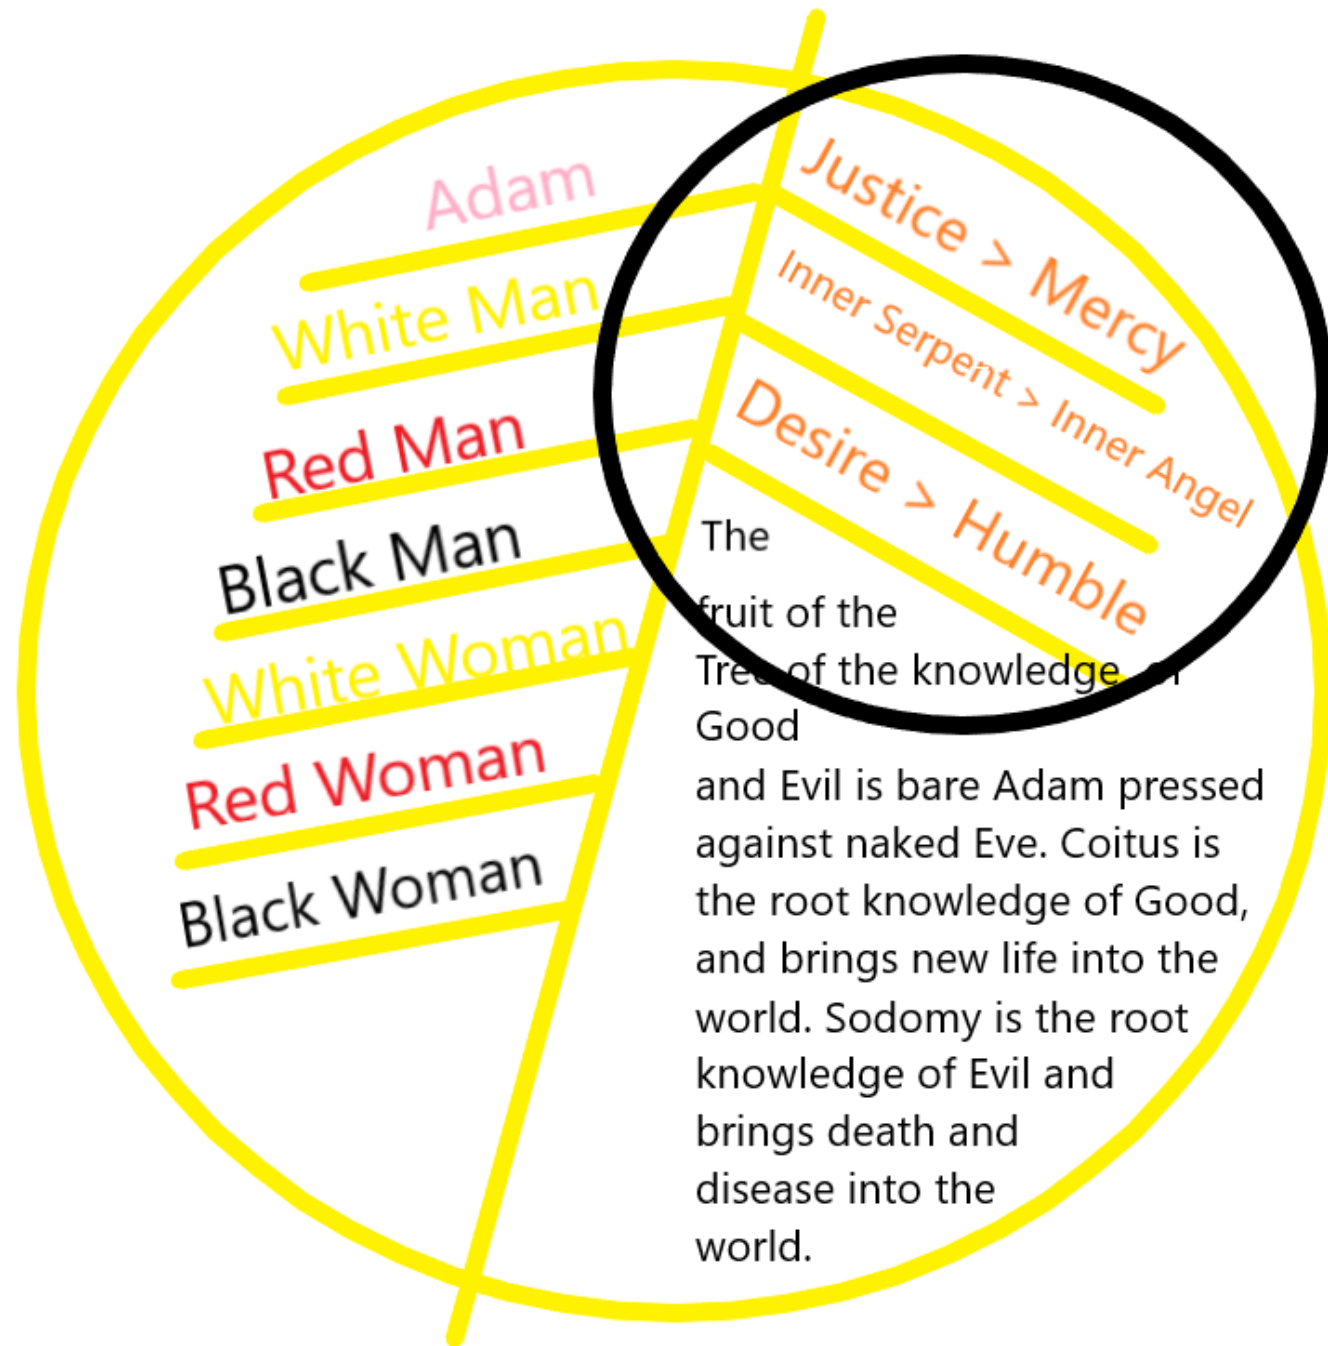

The Seven-Fold Spirit of God

The Seven eyes now being explained the Seven horns are the horns of leadership. This is evident as Jesus Christ is the King of Kings and the Lord of Lords. His concern is every man woman and child on this earth. And he is both a descendant of Adam and precedes Adam as Adam's progenitor and Lord. If we think of the sevenfold spirit as eyes upon our head, then the great journey of our enlightenment begins. The menorah should have 7 candle stick holders on it. The one in the center should represent Adam on the other side of the center should represent the white spirits on the outside of them the red spirits and on the outside of them the black spirits. This menorah includes all people and if you slowly spin it appears to be tithing the darkness.

You were stone and wood, you are bronze and iron, you will get silver and gold.

The concept of the Holy Trinity and man being made in the image of God makes the solution easier to find. It must be a set of three things that govern all of us, each being a duality, creating an internal struggle. Upon much reflection it becomes evident that these must be the forces that drive us.

Weigh Yourself

We all have a need to get and inflict justice for the things we care about.
The opposite of justice is mercy and we must temper our need for justice with the higher calling of being merciful.

JUSTICE 1 2 3 4 5 6 7 8 9 MERCY

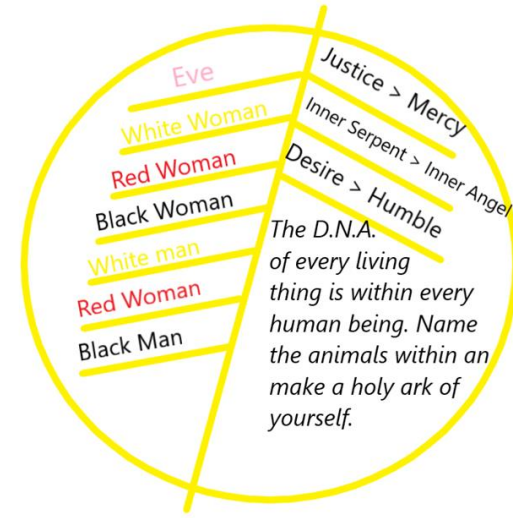

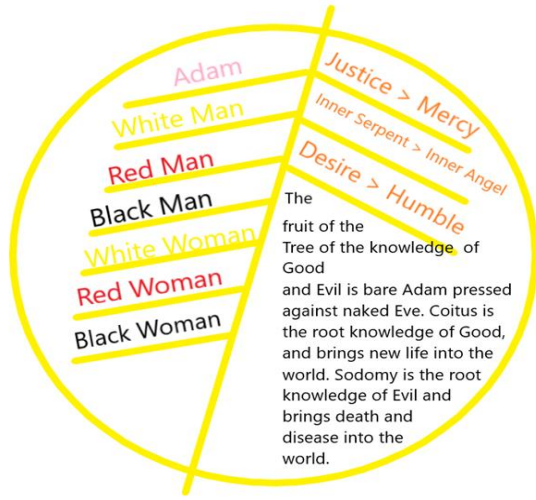

Our most basic self needs to eat, sleep, and procreate. This is our inner serpent. This is not to be feared, but tamed.

The opposite of the inner serpent is the inner angel. This is the higher self that knows love and obedience to the Lord.

INNER SERPENT 1 2 3 4 5 6 7 8 9 INNER ANGEL

We have desires for wealth and worldly things. These can consume us and become our sole ambition.
We must curb our desires with being humble at heart. This is generosity.
